**OFFICE OF PETITIONS**

In re Application of :  
Keith KOCHO : DECISION GRANTING PETITION  
Application No. 10/721,071 : UNDER 37 CFR 1.137(b)  
Filed: 26 November 2003 :  
Atty. Docket No.: 12819/2 :

This is a decision on the petition under 37 CFR 1.137(b), filed 6 January 2011, to revive the above-identified application ("Application").

The petition is **GRANTED**.

The Application became abandoned for failure to reply in a timely manner to the non-final Office action mailed 13 December 2007 ("outstanding Office action"), which set a shortened statutory reply period of three (3) months. No extension of time under the provisions of 37 CFR 1.136(a) was obtained. The application thus became abandoned on 14 March 2008, with notification mailed 25 July 2008.

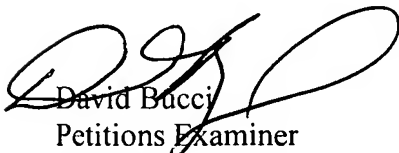

The petition satisfies the conditions for revival pursuant to 37 CFR 1.137(b) by including (1) a reply in the form of a Response to the outstanding Office action, (2) a petition fee of \$1620.00, and (3) a Statement of unintentional delay. The reply to the Notice is accepted as having been unintentionally delayed.

There is no indication that the person signing the instant Petition was given a power of attorney or authorization of agent to prosecute the Application. Further, it is not apparent whether the signer of the Petition was in a position to have firsthand knowledge of the facts and circumstances of the delay at issue. Nevertheless, such statement is being treated as having been made as the result of a reasonable inquiry into the facts and circumstances of the delay. *See*, 37 CFR 10.18(b) and Changes to Patent Practice and Procedure; Final Rule Notice, 62 Fed. Reg. 53131, 53178 (10 October 1997), 1203 Off. Gaz. Pat. Office 63, 103 (21 October 1997). In the event that such an inquiry has not been made, Petitioner must make such an inquiry. If such inquiry results in the discovery that it is not correct that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional, Petitioner must notify the Office.

The file does not indicate that a change of address has been submitted, although the address given on the petition differs from the address of record. If appropriate, a change of address should be filed in accordance with MPEP 601.03. A courtesy copy of this decision is being mailed to the address given on the petition; however, the Office will mail all future correspondence solely to the address of record.

General inquiries relating to this decision should be directed to Robert DeWitty, Petitions Examiner, Office of Petitions (571-272-6051), or, if unavailable, the undersigned at 571-272-7099.

The application file will be referred to Technology Center Art Unit 2141 for further action on the filed Response.
